VISION

To provide a conducive atmosphere for fostering all round development of the students through affordable education and to impart quality education amongst the underprivileged section of society from nearby areas and encourage the feeling of self-worth in them to face the challenges of the ever-changing competitive world.

Our vision is to lead our students through the portals of knowledge and getting them empowered as we believe "Education is Knowledge, Knowledge is Power."

MISSION

- Our mission is to empower the students and to spread the light of knowledge and imbibe the vision beyond, through education which is meaningful and purposeful.
- To guide the students, to become efficient and self-reliant, to steer them to provide better job opportunities and self-employment and make them socially responsible.
- Our mission is to empower the students to be achievers and responsible, committed individuals with humane values, so that they are assets to the family, society, and the nation.

OBJECTIVES

- To imbibe the values of hard work, dedication, and perseverance to enable the students to become enlightened citizens.
- To inculcate not only the training of the intellect but also the refinement of the heart and discipline of the spirits.
- To mold the students acquainted with the new emerging trends in the teaching learning process.
- To get the students acquainted with the new emerging trends in the teaching learning process.
